IT pressto è straordinario: grazie a lui i vostri pannelli potranno diventare indicatori di direzione, banner pubblicitari, divisori di spazio o elementi decorativi per interni ed esterni. utilizzate a piacere la base in alluminio con pannelli di spessore da 1 a 25 mm: grazie alla sua speciale conformazione, pannelli di qualsiasi materiale rimangono stabili e dritti sulla base. pressto si apre e si chiude grazie ad una vite a testa zigrinata che tiene uniti i 2 profili. i feltrini compresi nella confezione proteggono il pannello e rendono la base anti-scivolo e più stabile. nella versione in alluminio anodizzato color argento pressto è disponibile già montato nei formati più comuni o a metro per i fuori standard. il programma di accessori comprende tappi laterali in colore nero e 2 versioni laccate in nero rispettivamente di 100mm e 200mm (con tappi laterali neri).

DE eine tolle sache: mit ihrem panel wird pressto zum hinweisschild, werbebanner, raumteiler oder dekorativem element im innen- und aussenbereich. kombinieren sie das aluminiumprofil mit paneelen der stärken 1mm bis 25mm. unterschiedlichste materialien werden gleichmässig eingespannt. geöffnet und geschlossen wird pressto mittels rändelschraube. integrierte gummlitzen schützen ihr panel und geben rutschfesten stand. in silbereloxierter ausführung sind die gängigsten längen vormontiert oder als meterware verfügbar. im zubehör programm finden sie schwarze seitenabdeckkappen. ausserdem im programm: 100mm bzw. 200mm mit schwarzer pulverbeschichtung und abdeckkappen.

EN pressto is really great: together with your panel pressto becomes a signpost, an advertising banner, a partition wall or a decorative element in interior and exterior areas. combine the anodized aluminium profile with panels from 1mm up to 25mm. the special construction gives pressto maximum flexibility: materials are shut in safely by pressto. open and close the profile easily with the knurled head screw. integrated rubber laces protect your panel and act as anti-slip pads as well. the most standard lengths come already mounted or by the meter in silver color. black side caps can be ordered as an accessory. furthermore we provide you with 100m and 200mm lengths black powder coated and with side caps.
